Item 1.01 Entry into a Material Definitive Agreement.

On March 25, 2026, Sandisk Technologies, Inc. (the “Company”), a wholly-owned subsidiary of Sandisk Corporation, entered into a Private Placement Subscription Agreement (the “Equity Investment Agreement”) with Nanya Technology Corporation (“Nanya”), pursuant to which the Company agreed to make a strategic equity investment in Nanya through a private placement of Nanya common stock (the “Transaction”).

Under the Equity Investment Agreement, the Company agreed to purchase approximately 139 million shares of Nanya common stock for an aggregate purchase price of approximately \$1.0 billion, representing approximately 3.9% of Nanya’s outstanding common stock on a fully diluted basis following the Transaction. The purchase price reflects a 15% discount to Nanya’s 30-day average trading price, consistent with the Taiwan Securities and Exchange Act (“SEA”) and applicable regulations. The private placement is being conducted pursuant to Article 43-6 of the SEA and applicable regulations and is subject to post-closing filings with the Taiwan Stock Exchange and other Taiwanese regulatory authorities. The shares issued to the Company in the private placement will be subject to a statutory lock-up period of three years following delivery, during which the Company will be restricted from transferring or selling the shares, subject to limited exceptions under applicable Taiwanese law.

The foregoing description of the Equity Investment Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Equity Investment Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 8.01 Other Events.

Concurrently with the Equity Investment Agreement, the Company and Nanya also entered into a multi-year strategic supply arrangement pursuant to which Nanya will supply the Company with DRAM products. The supply arrangement is intended to support the Company’s long-term DRAM sourcing strategy.
